		1 Pray for LIFE academy teachers and staff as they come back to school to prepare for the 2020/21 school year today.	2 Pray for our first in-person Elderly program in almost 6 months and that God shows up in a BIG way.	3 Pray for Mike as he continues to lead this team well and for God to place protection around him during travel between the U.S. and Haiti.	4 Pray for all new LIFE Academy students and staff members as they prepare to start the school year. Pray for their nerves to be calmed and for them to feel welcomed and loved.	5 Pray for the kids with chronic wounds and broken bones that we have been providing health care for that they would reach complete healing this month.
6 Please pray for wisdom for our staff as Night to a Shine is not able to be an in-person experience this year. Pray we find creative ways to get our members together for a special night.	7 Pray for those who lost their lives, livelihood, homes, and belongings in the recent tropical storms and flash flooding.	8 Pray for LIFE Therapy as we continue to find ways to raise awareness and spread the word of our rehabilitation services in other communities.	9 Pray as the director and assistant director of special needs programming start planning a conference for November that will help spread our Bèl Ewo and Zanmi Pou Lavi programs throughout Haiti.	10 Pray for the community of Neply, that they may see the light of Christ in the smallest, simplest ways and feel His Presence.	11 As we remember 9/11 today, please pray for all pilots, first responders, and families of people lost in the tragedy 19 years ago.	12 Pray for the devaluation of the Goude (money) here in Haiti. Pray for people to see the importance of this needing to change and for the economy of Haiti as a whole.
13 Pray for all LIFE Academy students that they may have hearts centered towards Christ and open minds to hear His Call and Purpose for their lives.	14 Pray for LIFE Academy as today is the first day of school beginning our 6th year of existence and impact.	15 Pray for Bèl Ewo as we start our meetings back up. Pray for safety at meetings and that we are able to quickly bond like we did before COVID.	16 Pray for Public Health programs that we are reaching the most vulnerable in our community before they become ill.	17 Pray for all our members of Zanmi Pou Lavi as they are starting back to school. Pray for safety from the virus and that they thrive this school year.	18 Pray for the health, body and spirit, of our entire village community.	19 Pray for safety over our community that we will not have any emergencies over these next months that we don't have the financial resources to provide assistance for.
20 Pray that God will continue to open doors and avenues for the Gospel to reach and take root in hearts across Haiti. Please pray that our work daily will always glorify Him and advance God's mission of Love.	21 Pray for the parents of students at LIFE Academy that they may truly understand the importance of their child's education and will continue to invest in their child's future.	22 Pray that our village community and all of Haiti will feel and know God's Presence with them. That the dark will be brought to the light and Jesus' Light and Truth will shine across the entire country of Haiti.	23 Pray that we may continue to be strong and fight the spiritual warfare that is around us. That Jesus may prevail and triumph in our hearts, homes, and communities.	24 Pray for LIFE Academy teachers and staff as they continue to raise and educate the leaders of tomorrow with Christ at the center.	25 Pray for the employees of myLIFEspeaks. For them to be a light in their jobs but also for them to see how their LIFE is a reflection of God to so many.	26 Pray for all of our supporters, partners and donors who have a heart for our mission and are the reason we can continue to do what we do in Haiti each day. Without them none of this would be possible.
27 Pray for a renewing relationship with Christ to fall over everyone in this area. A revival that only God can bring.	28 Pray for God's Provision over our village community and all the families and children who call Neply home.	29 Pray for a protective covering over Neply and Haiti and for repentance of hearts and souls to Christ; for good to triumph over evil in Haiti.	30 Pray as we enter into October that we will not have any major hurricanes or Tropical storms hit this area during this season.	<p><i>can we pray for you?</i></p> <p>If you're in need of prayer, our staff would love to pray for you by name.
