## Can we pray for you?

If you're in need of prayer, our staff would love to pray for you by name.  
Email us at [prayer@myLIFEspeaks.com](mailto:prayer@myLIFEspeaks.com) with your request.

**4** Today is Lane Wilson's birthday. Lane is the catalyst for myLIFEspeaks as he was born prematurely with less than .5% chance of survival. Today, he lives in Neply, Haiti and his LIFE continues to speak volumes.

**5** Pray over the hurricane and tropical storm season in the Caribbean. Please for protection of our friends, family, village, and all of Haiti as our infrastructure is not equipped to handle large storms.

**6** Pray for the elderly in the village as they continue to chase after the Lord and ask for peace and guidance for their lives.

**7** Pray for our U.S. Office team, Mike, Kelsey, and Sydney. Pray for wisdom and clarity to share the stories of myLIFEspeaks to our amazing supporters.

**8** Pray for our Zanmi Pou Lavi friendship pairs as we are unable to meet in large groups.

**9** Pray for the health and wellbeing of all of our supporters, friends, and family. Pray for shrunken tumors, healed addictions, stronger immune systems, and restored bodies.

**10** Pray for our amazing former intern, Presley, as she gets married today! Pray for joy, love, and happiness in this new life with her husband.

**11** Pray for the healing of our friend, Ti Nana, as she continues to heal from her motorcycle accident, intensive surgeries, and extensive hospital stay in September.

**12** Pray for our incredible Board of Directors. Pray for God's wisdom, discernment, and leadership over them as they come alongside us to further The Kingdom.

**13** Pray for our staff as we plan for a very different Night to Shine 2021. Pray that it is still a special night for everyone involved.

**14** Pray over our operations finances. Pray that God continues to provide financially and spiritually through our amazing donors.

**15** Prayers for LIFE Therapy staff as they not only work to restore physical health and movement, but to provide spiritual health as well to our patients and families.

**16** Prayers that Bèl Ewo continues to grow and that the Spirit continues to move during the meetings.

**17** Pray for the Wilson family. Pray that God continues to speak LIFE into them so they may further His Kingdom in Haiti.

**18** Pray for a renewing relationship with Christ to fall over everyone in this area. A revival that only God can bring.

**19** We have had to postpone our Zanmi Pou Lavi and Bèl Ewo conferences until next year. Prayers for wisdom as we plan and invite organizations.

**20** Pray for the American staff working in Haiti: Missy, Eli, Andrea, Bethany, & Rhonda and their families.

**21** Pray for the children of the community. Pray for children to be able to lead with a "child-like" faith during difficult times.

**22** Pray over Bèl Ewo as our 5 years worth of curriculum is accurately translated and for all the organizations and parents that will benefit from this throughout Haiti.

**23** Pray for your next door neighbor today. If you don't know their name, take a moment to get to know them. In Haiti, not knowing your neighbor is impossible. Community comes from knowing each other.

**24** Prayers as we start planning how to train different organizations throughout Haiti how to hold a Night to Shine of their own. This will help affect so many more people with disabilities in the country.

**25** Pray for the Gospel to go far and wide today in Haiti. We pray for the Holy Spirit to move throughout pulpits in Haiti on this Sunday.

**26** Pray for our Clinic staff as they begin a new week. Pray for the opportunity to share the Truth of the Gospel as well as being able to meet physical needs.

**27** Praise God for His Hand of guidance in the daily ministry of myLIFEspeaks. Pray for continuous chances to see with His eyes the opportunities He has placed before us.

**28** Pray for our drivers and all of our vehicles as driving in Haiti can be a dangerous task. Pray for the safety of our drivers and passengers, that our drivers are focused and quick to think in an emergency.

**29** Pray for our Public Health team as we work to add lab services to our clinic to better serve Neply and surrounding communities.

**30** Pray for Haiti to trust the Spirit of God over all else. Many in Haiti will follow YouDou in the days ahead because they haven't heard and understood the truth yet.

**31** Pray over the last two months of the year. Pray that our ministry will finish strong financially, spiritually, physically, and emotionally. Pray for a supernatural revival of prayers, support, and love throughout the rest of the year.
